

Office Fax LF8190

Laserfax, printer, copier and colour scanner

Convenient, fast and reliable

Our reliable multifunctional fax machine combines faxing with copying. With the PC connection that turns it into a high speed printer and scanner and with the various eco functions, this device is perfect for your home or small business.

Fast and reliable

- Speedy 33.6 Kbps modem for fast fax transmission in as little as 2.5 seconds per page
- Fast 24 ppm copying with reduced or enlarged original images (from 25 – 400 %)
- Large 30 paged automatic document feeder & 250 sheets cassette easy paper handling
- Reliable real time clock with back-up for up to 48 hours

Convenient business functions

- Large page memory of 400 pages
- Multitasking (dual access) function that allows you to scan faxes into memory while the unit is busy sending or receiving
- Direct USB – print files from USB key or scan documents directly to USB key
- High speed printer with 24ppm and 16ppm duplex print and scanner for convenient document handling
- Transmission report with reduced first page for an accurate work-flow

Time and cost saving eco functions

- Toner save button for increased printing capacity (print up to 60 % more in toner save mode)
- Considerably decreased energy consumption in stand-by mode
- Paper save possibility thanks to duplex printing function
