

Office Fax TF4075

Thermal transfer fax, telephone, answering machine & copier

Small, multifunctional and reliable

The all-in-one thermal transfer fax machine convinces through its matchless versatility. Due to its small size it can be easily put anywhere in your home or your small office.

The full range of communication features

- Send your fax via a 14.4 Kbps modem
- Telephone with hands free speaking function, allows you to dial and to speak without lifting the handset
- Up to 30 minutes can be recorded on the answering machine
- Through the alphabetical QWERTY keyboard, sending SMS messages becomes a snap!

Office work can easily be managed

- More security with the 50 page memory and an outgoing call log
- Send faxes or SMS messages to multiple receivers and store groups of contacts
- Predefined fax forms and sending report with reduced first page ease the workflow

Convenience all day long

- Telephone with hands free speaking function, allows you to dial and to speak without lifting the handset
- Distinctive ring tones let you know who is calling before you pick up the phone
- Multicopy up to 15 pages
